

Understanding the Calendar: the New Moons

Jubilees 4:16-18

16. And in the eleventh jubilee ^[501-5 28 A.M.] Jared took to himself a wife, and her name was Bâraka, the daughter of Râsûjâl, a daughter of his father's brother, in the fourth week of this jubilee, ^[521-28 A.M.] and she bare him a son in the fourth week, in the first year of the thirteenth jubilee, ^[622 A.M.] and he called his name Enoch. 17. And he was the first among men that are born on earth who learnt writing and knowledge and wisdom and who wrote down the signs of heaven according to the order of their months in a book, that men might know the seasons of the years according to the order of their separate months. 18. And he was the first to write a testimony, and he testified to the sons of men among the generations of the earth, and recounted the weeks of the jubilees, and made known to them the days of the years, and set in order the months and recounted the Sabbaths of the years as we made (them) known to him.

Jubilees 2:9

9. And Alahayim appointed the sun to be a great sign on the earth for days and for Sabbaths and for months and for feasts and for years and for Sabbaths of years and for jubilees and for all seasons of the years.

Jubilees 6:36

36. For there will be those who will assuredly make observations of the moon--now (it) disturbeth the seasons and cometh in from year to year ten days too soon.

Jubilees 6:35-37

35. For I know and from henceforth shall I declare it unto thee, and it is not of my own devising; for the book (lieth) written before me, and on the heavenly tables the division of days is ordained, lest they forget the feasts of the covenant and walk according to the feasts of the Gentiles after their error and after their ignorance. 36. For there will be those who will assuredly make observations of the moon--.....

37. For this reason the years will come upon them when they will disturb (the order), and make an abominable (day) the day of testimony, and an unclean day a feast day, and they will confound all the days, the holy with the unclean, and the unclean day with the holy; for they will go wrong as to the months and Sabbaths and feasts and jubilees

Enoch 74:12

12. And the sun and the stars bring in all the years exactly, so that they do not advance or delay their position by a single day unto eternity; but complete the years with perfect justice in 364 days

Enoch 82: 4

4 Blessed are all the righteous, blessed are all those who walk In the way of righteousness and sin not as the sinners, in the reckoning of all their days in which the sun traverses the heaven,

Deu 10:12

And now, Israel, what doth Ahayah thy Alahayim require of thee, but to fear Ahayah thy Alahayim, to walk in all his ways, and to love him, and to serve Ahayah thy Alahayim with all thy heart and with all thy soul,

2Es 14:4

.....and brought him up to the mount of where I held him by me a long season,

2Es 14:5

And told him many wondrous things, and shewed him the secrets of the times, and the end; and commanded him, saying

Deu 5:31

But as for thee, stand thou here by me, and I will speak unto thee all the commandments, and the statutes, and the judgments, which thou shalt teach them, that they may do them in the land which I give them to possess it.

Deu 5:32

Ye shall observe to do therefore as Ahayah your Alahayim hath commanded you: ye shall not turn aside to the right hand or to the left.

Deu 5:33

Ye shall walk in all the ways which Ahayah your Alahayim hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess.

Enoch 82: 4

4 Blessed are all the righteous, blessed are all those who walk In the way of righteousness and sin not as the sinners, in the reckoning of all their days in which the sun traverses the heaven, entering into and departing from the portals for thirty days with the heads of thousands of the order of the stars, together with the four which are intercalated (that means insterted) which divide the four portions of the year, which lead them and enter with them four days.

Enoch 82:9-19

And these are the orders of the stars, which set in their places, and in their seasons and festivals and months. ¹⁰. And these are the names of those who lead them, who watch that they enter at their times, in their orders, in their seasons, in their months, in their periods of dominion, and in their positions. ¹¹. Their four leaders who divide the four parts of the year enter first; and after them the twelve leaders of the orders who divide the months; and for the three hundred and sixty (days) there are heads over thousands who divide the days; and for the four intercalary days there are the leaders which sunder the four parts of the year. ¹². And these heads over thousands are intercalated between ¹³ leader and leader, each behind a station, but their leaders make the division. ¹³. And these are the names of the leaders who divide the four parts of the year which are ordained: Milki'el, Hel'emmelek, and Mel'ejal, and Narel. ¹⁴. And the names of those who lead them: Adnar'el, and Ijasusa'el, and 'Elome'el- these three follow the leaders of the orders, and there is one that follows the three leaders of the orders which follow those leaders of stations that divide the four parts of the year. ¹⁵. In the beginning of the year Melkejal rises first and rules, who is named Tam'aini and sun, and all the days of his dominion whilst he bears rule are ninety-one days. ¹⁶. And these are the signs of the days which are to be seen on earth in the days of his dominion: sweat, and heat, and calms; and all the trees bear fruit, and leaves are produced on all the trees, and the harvest of wheat, and the rose-flowers, and all the flowers which come forth in the field, but the trees of the winter season become withered. ¹⁷. And these are the names of the leaders which are under them: Berka'el, Zelebs'el, and another who is added a head of a thousand, called Hilujaseph: and the days of the dominion of this (leader) are at an end. ¹⁸. The next leader after him is Hel'emmelek, whom one names the shining sun, and all the days of his light are ninety-one days. ¹⁹. And these are the signs of (his) days on the earth: glowing heat and dryness, and the trees ripen their fruits and produce all their fruits ripe and ready, and the sheep pair and become pregnant, and all the fruits of the earth are gathered in, and everything that is in the fields, and the winepress: these things take place in the days of his dominion.

Enoch 75:1-2

1. And the leaders of the heads of the thousands, who are placed over the whole creation and over all the stars, have also to do with the four intercalary days, being inseparable from their office, according to the reckoning of the year, and these render service on the four days which are not reckoned in the reckoning of the year. 2. And owing to them men go wrong therein, for those luminaries truly render service on the world-stations, one in the first portal, one in the third portal of the heaven, one in the fourth portal, and one in the sixth portal, and the exactness of the year is accomplished through its separate three hundred and sixty-four stations.

Enoch 82:5-7

5. Owing to them men shall be at fault and not reckon them in the whole reckoning of the year: yea, men shall be at fault, and not recognize them accurately. 6. For they belong to the reckoning of the year and are truly recorded (thereon) for ever, one in the first portal (winter) and one in the third, (spring) and one in the fourth (Fall) and one in the sixth, (Summer) and the year is completed in three hundred and sixty-four days. 7. And the account thereof is accurate and the recorded reckoning thereof exact; for the luminaries, and months and festivals, and years and days, has Uriel shown and revealed to me, to whom the Lord of the whole creation of the world hath subjected the host of heaven

Jubilee 6:23, 29

23. And on the new moon of the first month, (Spring in the 3rd portal) and on the new moon of the fourth month, (Summer in the 6th portal) and on the new moon of the seventh month, (Fall in the 4th portal) and on the new moon of the tenth month (Winter in the 1st portal) are the days of remembrance, and the days of the seasons in the four divisions of the year. These are written and ordained as a testimony for ever. 29. And they placed them on the heavenly tables, each had thirteen weeks; from one to another (passed) their memorial, from the first to the second, and from the second to the third, and from the third to the fourth.

Jubilee 6:30-32

30. And all the days of the commandment will be two and fifty weeks of days, and (these will make) the entire year complete. 31. Thus it is engraven and ordained on the heavenly tables. And there is no neglecting (this commandment) for a single -year or from year to year. 32. And command thou the children of Israel that they observe the years according to this reckoning-three hundred and sixty-four days, and (these) will constitute a complete year, and they will not disturb its time from its days and from its feasts; for everything will fall out in them according to their testimony, and they will not leave out any day nor disturb any feasts.
